

AN ISO 9001 : 2015 CERTIFIED COMPANY

THE  
LARGEST RANGE OF  
**ULTRA MORDEN**  
**ALUMINIUM**  
RAILING SYSTEM

---

# COMPANY PROFILE

reflects lifestyles, and creates lasting impressions. It is not just a material – it is an art that shapes spaces, impressions.

Since **2005**, we have been providing **premium glass solutions** for **homes, offices, and commercial projects** across Gujarat. With a focus on **quality craftsmanship, modern design, and constant innovation**, we have earned the trust of **architects, designers, builders, and homeowners**.

Our wide product range includes Glass Railings and Balconies, crafted for strength and sophistication, offering safety with seamless design. Our product range includes **modular kitchens, wardrobes, smart glass, LED mirrors, partitions, Modular railings and Staircase, shower enclosures, and shopfront systems** – all **customized** to meet unique needs. Every product is crafted with **precision, durability, and elegance**.

With over **20+ skilled professionals** and a strong presence in **Jetpur, Rajkot, Ahmedabad, Surat, Vadodara, and beyond**, we continue to expand while staying true to our values: **affordable pricing, customization, and Good quality**.

## CORE PURPOSE

“We bring honesty, creativity, and masterful craft together to shape spaces you can trust, love, and proudly call your own.”

## CORE VALUES

· Integrity · Innovation · Craftsmanship · Quality · Customization

## VISION

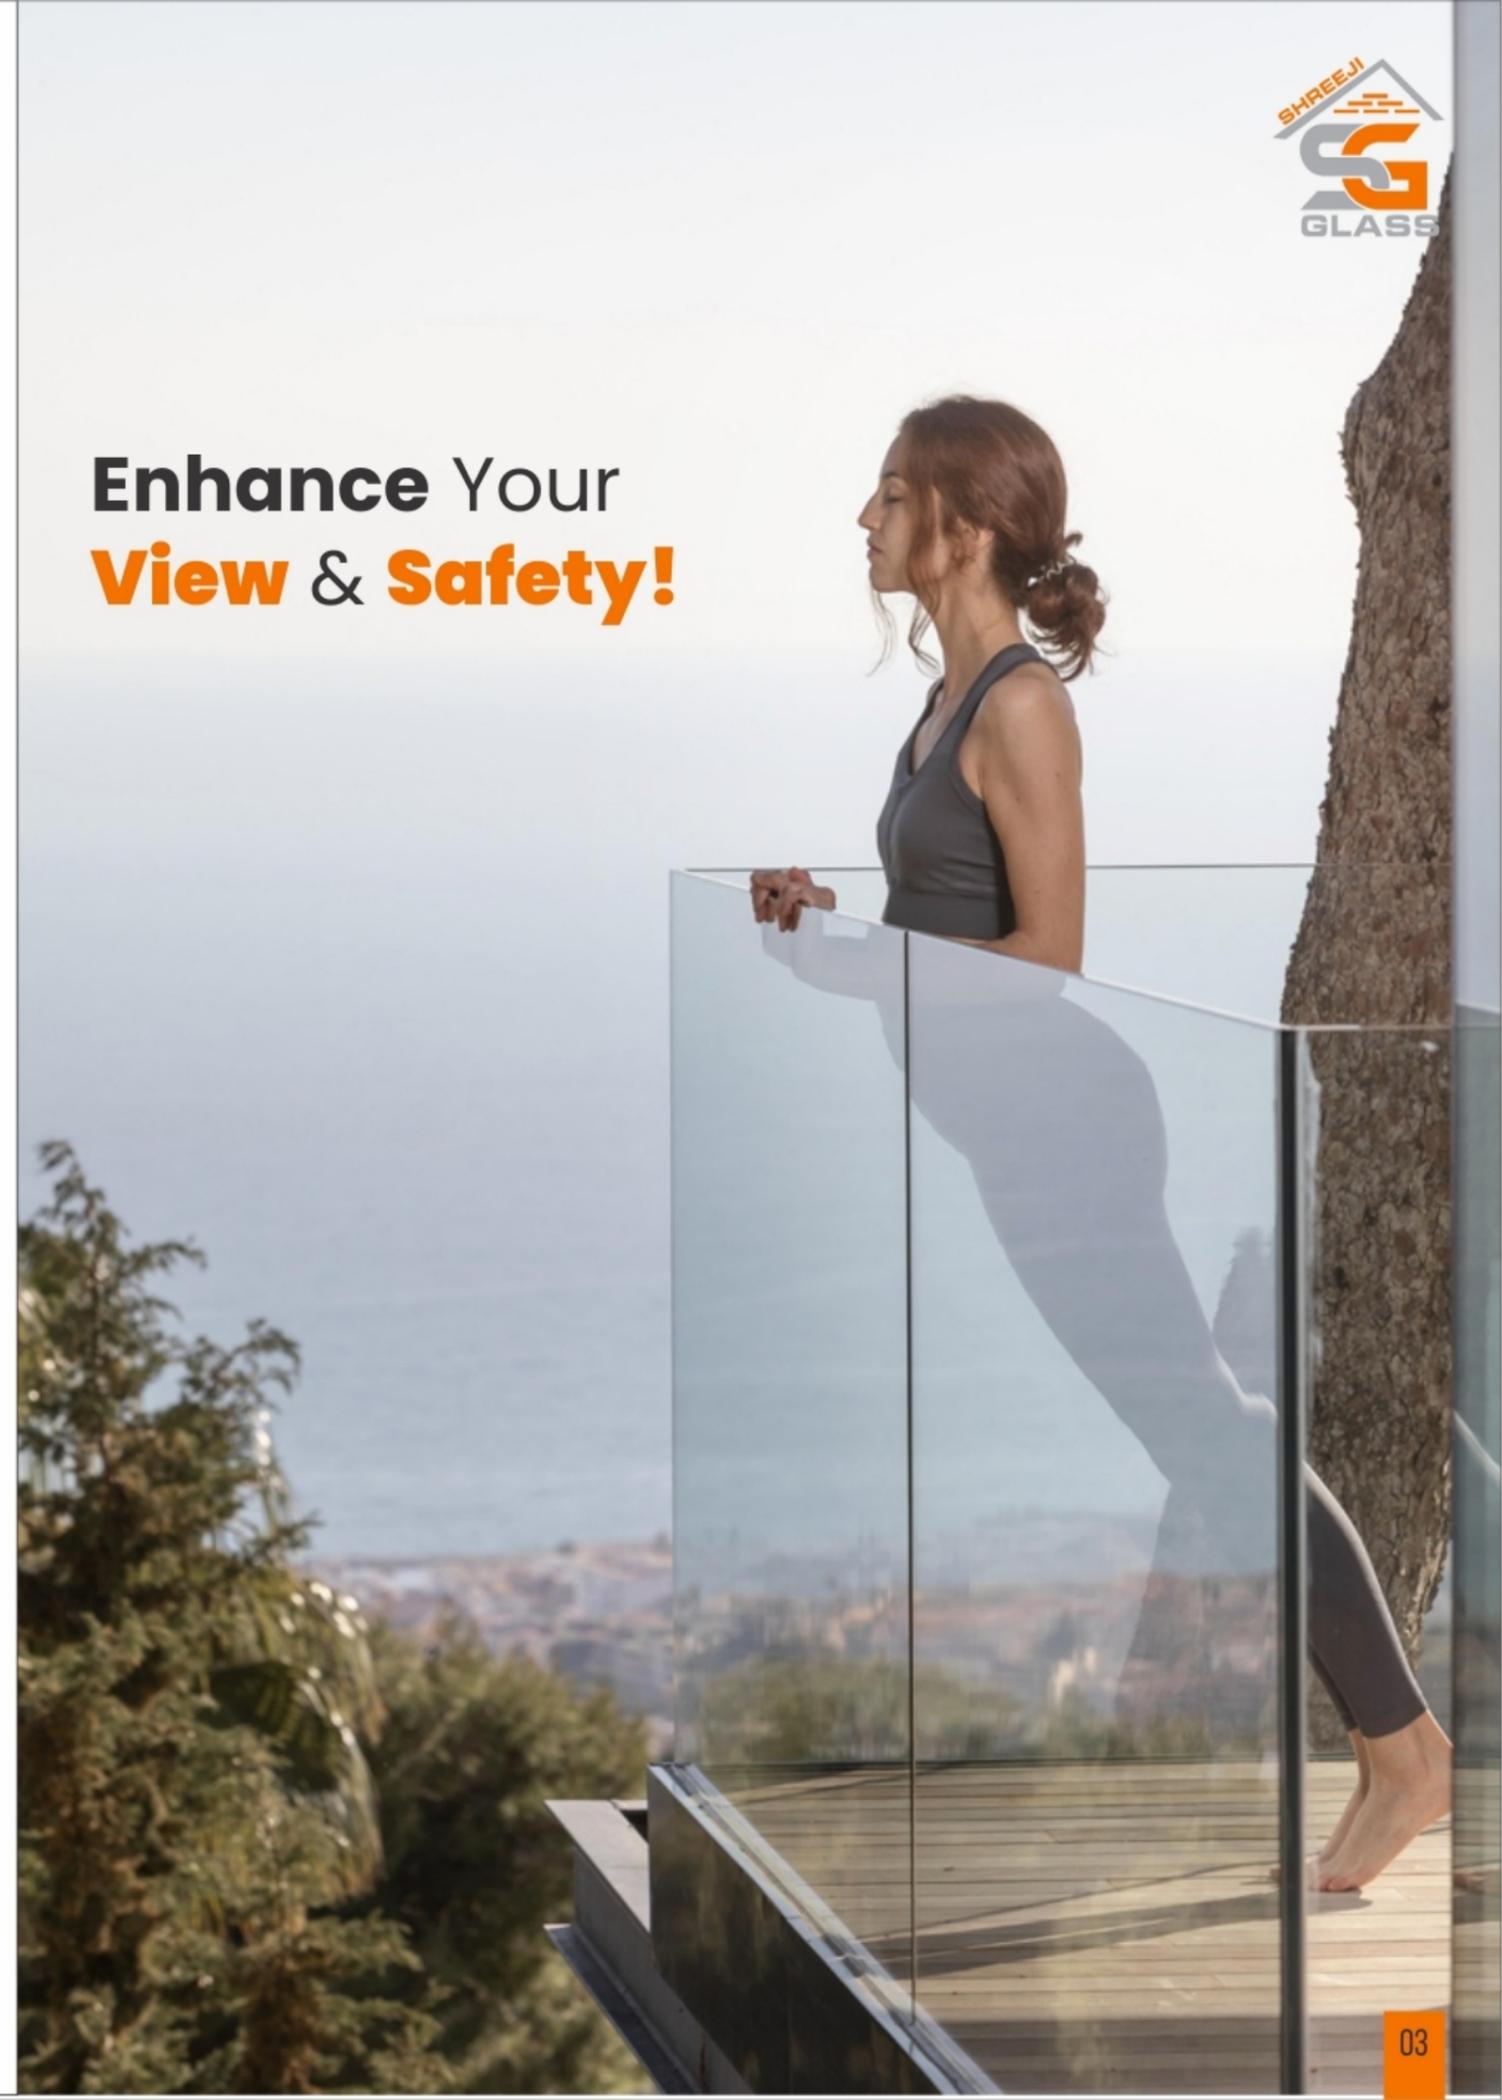

“To be India’s most trusted and leading brand in architectural glass and interior solutions creating elegant, innovative, and sustainable spaces across every home, office, and commercial landmark.”

## MISSION

“To deliver world-class glass solutions across India with precision, creativity, and affordability serving residential, commercial, and hospitality sectors through innovation, skilled teams, and customer-centric service.”

*Your vision, our expertise – together, we create masterpieces.*

# Enhance Your View & Safety!

## ALUMINIUM RAILING SYSTEMS

We provide a complete range of **Aluminium Railings, Fittings, and Hardware Accessories** suitable for both **residential and commercial** projects.

Our railing systems are available in **Anodized, Powder Coated, and Wooden Finish** with premium shades like **Silver, Champagne, and Custom Colours**, crafted using **high grade aluminium** profiles for unmatched quality and durability. The systems are designed for easy and quick installation, ensuring professional results and **long-term performance**.

With a **frameless, vertical-free design**, our aluminium glass railings offer a **clear and rich view** creating modern, elegant spaces that combine **strength with sophistication**. Each system is thoroughly **tested for safety** and designed with **no compromise on aesthetics**.

At **Shreeji Glass**, we provide railing solutions for **every budget**, while maintaining our core promise of **honesty, craftsmanship, and innovation**. We believe in building **long-term relationships** with architects, designers, dealers, and our valued customers.

### WE ARE DEALING IN

- Aluminium Railings
- S.S Glass Railings
- Frameless Glass Railings

### WE ARE WORKING IN

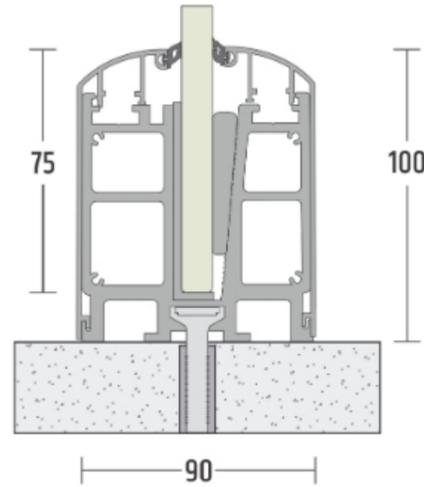

- Duplex & Bungalows
- Corporate Office
- Buildings
- Shopping Malls & Showrooms
- Hotels, Resorts & Clubhouses
- Schools, Colleges & Institutional Projects

### ADVANTAGES OF ALUMINIUM GLASS RAILING SYSTEM

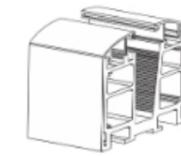

-  Easy and perfect installation
-  Weather proof
-  Easy cleaning
-  Light Weight and Robust for Higher safety
-  100% Recyclable
-  Maintenance Free

**Quality is costly...**  
**...but lack of quality is costlier.**

### Elements of Glass Railing

#### Aluminium

Aluminium is light weight and equally strong metal. No other material can match the characteristics of aluminium. Application of Oxide layer protects the metal from rust and corrosion. The same is further strengthened by anodisation or PVDF Coating. Aluminium as a metal is 100% recyclable and non-toxic. It naturally withstands the effects of heat, cold, wind and sun.

#### Wedges

Wedges are small and critical component to Entire Glass railing system.

We use highest quality Nylon to manufacture best quality possible Wedges and enhance the strength of the Railing system.

#### Fastener

Fasteners are the Component playing major roll for total strength and stability of the Railing System. We use only best quality Fasteners from Fischer and Hilti for our different railing Installation requirement.

#### Advantages

Aluminium Glass Railings are an ideal solution for balconies, stairs and building enclosures for high architectural standards, offering an impressive and functional result with Seamless View.

## HRD Plastic frame anchors

Everyday standard plastic frame anchor for redundant fastening applications

Anchor version	Benefits
 HRD-C HRD-CR (M8)	<ul style="list-style-type: none"> <li>- Innovative screw design for better hold</li> <li>- Suitable on practically all base materials</li> <li>- Flexible embedment depth (approved at 50mm and 70mm)</li> <li>- Suitable for fastening thicknesses up to 260mm</li> <li>- Available in 4 different materials for optimum suitability in all corrosive environments</li> <li>- Pre-assembled for optimum handling and fastening quality</li> </ul>
 HRD-C HRD-CR HRD-CR2 (M10)	
 HRD-H HRD-HR HRD-HR2 HR-HF (M10)	
 HRD-K HRD-KR HRD-KR2 (M10)	
 HRD-P HRD-PR HRD-PR2 (M10)	

### Base material

### Load conditions

a) Redundant fastening only

### Other information

### Approvals / certificates

Description	Authority / Laboratory	No. / date of issue
European technical approval <sup>a)</sup>	DIBt, Berlin	ETA-07/0219 / 2018-06-28
Fire test report	MFPA, Leipzig	GS 3.2/10-157-1/ 2010-09-02
Window frame report <sup>b)</sup>	Ift, Rosenheim	Ift report 105 33035 / 2007-07-09

a) All data given in this section according ETA-02/19, issue 2017-09-19. The anchor is to be used only for redundant fastening for non-structural applications.

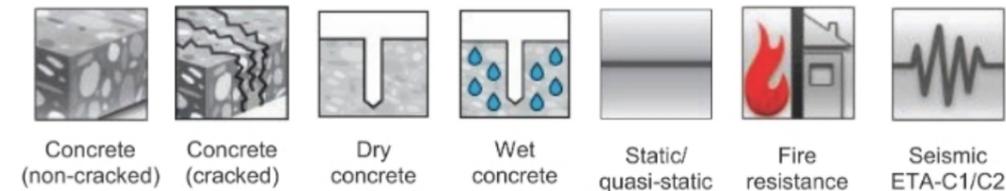

b) Only available for HRD 8

## HVU2 adhesive capsule

Anchor design (ETAG 001) / Rods&Sleeves / Concrete

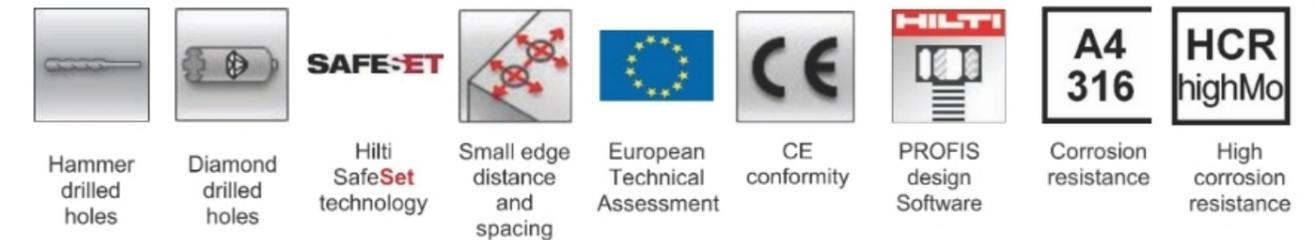

Anchor version	Benefits
 HVU2 Mortar capsule	<ul style="list-style-type: none"> <li>- <b>SafeSet</b> technology: Hilti hollow drill bit for automatic cleaning</li> <li>- Suitable for cracked and non-cracked concrete C20/25 to C50/60 both for hammer drilled and diamond cored holes</li> <li>- Highly reliable and safe anchor for seismic design with ETA C1/C2 approval</li> <li>- Clean and fast installation that suits hard jobsite conditions</li> <li>- Suitable for dry and water saturated concrete</li> <li>- High loading capacity</li> <li>- Low curing time</li> <li>- Max. in service temperature range up to 120°C short term / 72°C long term</li> </ul>
 Anchor rod: HAS HAS-R HAS-HCR (M8-M30)	
 Anchor rod: HAS-U HAS-U-R HAS-U-HCR (M8-M30)	
 Anchor rod: HAS-E HAS-E-R HAS-E-HCR (M8-M30)	
 Internally threaded sleeve: HIS-N HIS-RN (M8-M20)
